Please Note that as per Paragraph 8(a) of the Rules and Regulations of the Ballygunge Government High School Alumni Association:

“The management of the Association shall vest in and be entrusted to the Governing Body which shall consist of not less than 11 (Eleven) members and not more than 18 (Eighteen) members, out of which 11 (Eleven) Members shall be duly elected by the General Body for a period of one year and the Governing Body so formed shall be empowered to co-opt members (not exceeding 7 members) to the Governing Body. Provided, however, the 11 (Eleven) elected members will have to be from different school batches. Provided further that, in the Governing Body, not more than 3 (Three) from any one school batch shall be represented, including the co-opted members.”

In view of the above provision, the 11 elected members of the Governing Body must necessarily represent 11 different school batches. Therefore, where two or more candidates contest from the same school batch, more than one candidate from that batch cannot be elected as part of the 11 elected members.

Accordingly, if the election procedure provides for candidates from the same batch to be ranked on the basis of votes or scores, the candidate receiving the highest number of votes/score from a

particular batch would be eligible to occupy the elected position allotted to that batch, while the other candidate(s) from the same batch would not be eligible to be elected among the 11 elected members.

This restriction arises from the requirement under Paragraph 8(a) that the 11 elected members must be from different school batches.

The details regarding the upcoming voting process below:

- Venue: Ballygunge Government High School premises.
- Date: September 27, 2026
- Timing: Voting will begin at 10:00 AM.
- Entry Cut-off: General entry closes at 4:00 PM. Senior citizens, physically challenged, and ailing voters will be granted an extra half hour, with entry closing at 4:30 PM.
- Voting Completion: Voting will continue until all voters who entered the premises before the respective cut-off times (4:00 PM for general voters; 4:30 PM for senior citizens, physically challenged, and ailing voters) have cast their votes.
- Method: Voting will be conducted via manual ballot system.
- Results: Results will be published within 72 hours of the completion of voting.

The above said list prepared in my office on the basis of available records submitted by the candidates

Thanking you

Yours' Truly
